## Football - Code of Conduct

**COVID-19 IS A HIGHLY INFECTIOUS AND DANGEROUS DISEASE. EVERY PARTICIPANT MUST FOLLOW ALL FA AND GOVERNMENT ADVICE. THIS IS CRUCIAL TO ENSURE THE SAFETY OF EVERYONE INVOLVED IN THE GAME, AND SO WE CAN CONTINUE TO PLAY. ANY INCIDENTS OF NON-COMPLIANCE WILL BE REPORTED TO THE RELEVANT COUNTY FA FOR ACTION.**

A resumption of contact play is only achievable if those involved create and maintain a controlled environment that minimises the threat of infection. Risk in sport cannot be completely eradicated but with caution and care these risks can be reduced. Each player will need to decide when to return to contact football, based on their own circumstances and the arrangements that have been put in place for a safe return. This is particularly the case for players from BAME communities or those with underlying health conditions.

- All those returning to competitive grassroots football must adopt the following code of behaviour:
- Be aware of your own personal health. If you show any of the Covid-19 symptoms you must stay at home, inform NHS Test and Trace and seek medical advice.
- Be responsible. Read the guidance provided by The FA and by your club so that you are aware of the changes to the game and what is expected of you. This will include things like being prepared to wash your own kit, bringing your own labelled water bottle and being aware of changes to meet-up times.
- Practise good hygiene. Wash your hands regularly and before, during and after a game.
- Maintain social distancing. This won't always be possible in a competitive match environment (for example when tackling an opponent) and that is acceptable. However, before, and after a game you should maintain social distancing.
- Face coverings. Unless you have an exemption, face coverings are mandatory for all staff in retail/hospitality outlets (e.g. a clubhouse). This also applies to users of the facility, except when seated at a table to eat or drink.
- Support NHS Test and Trace. You will be asked to provide your details so that in the event of a Covid-19 outbreak those potentially infected can be traced. This is to everyone's benefit so please co-operate.
- Do not spit. Spitting and the rinsing out of mouths is now a recognised risk to health and must not be done. Avoid shouting or raising your voice if face to face with other players.
- After the game. Be aware that other users may be waiting to use the facilities. Follow all advice if using changing rooms and showers.
