Dear Valued Member,

### **Increase to membership fees**

We are writing to inform you that from October 2022 your monthly Direct Debit fee for your Volair membership will increase. This increase will help us maintain the quality facilities and services to our members.

Increasing memberships fees is never easy as we always ensure that our members receive value for money and as such we have kept our fees frozen for the last 4 years. During this time, we have continued to invest in our facilities. Unfortunately we have been seeing an increase in operating costs over the last few years, which are continuing to rise.
